

OWL CLASS

Newsletter - Autumn

Welcome back!

I hope you have all had a wonderful summer, and have had lots of fun. We have lots of new learning to complete this term, with many exciting ways to do so. Both Mrs Crank and I are ready for the term ahead, and if you have any questions or queries along the way, please don't hesitate to come and ask one of us.

Miss Turner

Homework

Homework is set on the following days:

Tuesday – Maths activity to be returned for Thursday

Friday – English activity to be returned for Tuesday

Spellings for testing on the following Friday

Children should read at least 3 times per week to move around the race track (10 minutes daily means a child is more likely to attain age related expectations.)

PE days

Wednesday and Friday – outdoor PE dependent on weather

Please send children with a change of clothes on the Monday. It may be an idea for children to keep their PE kit in school for the week, so that they have it with them for PE days.

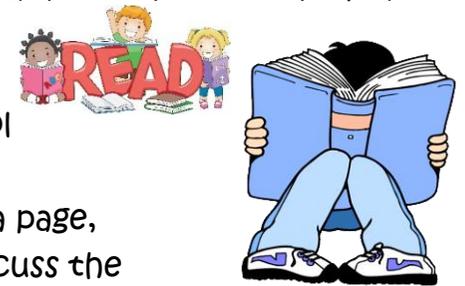

'Race to Read'

This term we are continuing our 'Race to Read' competition. If children read 3+ times at home during the week, and it is written in their reading journal then they will move around the race track in the Owls class. There will be prizes and a certificate for the children who achieve this over the year.

Reading can include:

- Reading books from school
- Books from home
- Shared reading (you read a page, then they read a page, discuss the book, characters, what might happen next?)

This half term we will begin our topic of Blue Abyss. Our focus will be on the oceans and continents of the world, deep sea discoveries and the making of submarines.

In Science, we will be learning about 'Human Impact. Here, we will be finding out how we can positively and negatively effect our environment around us.

We are looking forward to our trip to The Deep, later on this year, where we will be investigating food chains under the sea and understanding the predator-prey relationship.

Please can you also send 50p baking money in each week, as we will be doing a lot of baking, for our topic.
