

Looking Ahead

The goal posts are shifting, so to speak, in the 2017/18 academic year. Across the nation, the health and wellbeing of pupils will become an even greater focus for all primary schools.

We want to ensure that every child gets off to the best start in life by establishing healthy, active lifestyle habits from a young age.

Our efforts will be targeted towards...

Increasing
physical
activity levels
in school

Providing
healthy eating
education and
applying it in
the real world

Increasing
physical
activity levels
outside of
school

These aims can only be achieved with your full support so please encourage your child/children to take part in these initiatives whenever possible and adopt healthy, active lifestyles.

Hatfield Woodhouse Primary School ANNUAL REPORT 2016/17

PE Specialists Working with Teachers and Support Staff

266
CPD opportunities delivered

This academic year we have worked with **ALL** classes in the school from FS1 right up to year 6, delivering approximately **266 CPD opportunities** over the course of the year. Topics covered have included: **invasion games** (football, basketball), **dance, gymnastics, athletics, striking and fielding (rounders), multiskills for KS1 – developing agility, balance and coordination.**

We have worked with staff to develop their teaching of physical education in areas such as; **understanding and delivering the full PE curriculum, increasing activity levels during lessons, effective progression through a topic, engaging all pupils, challenging the most able, etc.**

Playground Leaders

15
playground leaders

Mr Nicholls has worked closely with **15 Key Stage 2 children** to train and support them as 'playground leaders'.

Their role is to organise fun games for other children to take part in **during break times.**

The leaders have shown real maturity in their new roles and the playground is now full of **even more activities** for children to take part in.

Extracurricular Clubs

Over 70 children
participated

Over **70 children** have participated in our extracurricular clubs throughout the year, with an average of **50-60 every single week.**

We have engaged them with sports such as; **dodgeball, benchball, tag rugby, rounders, table tennis, 'KidzGym', football, Danish longball and evasion games.**

Running Club

Xcite
Sports & Fitness
Running Club

This year we piloted our **'Xcite Running Club'** to see if the children would enjoy something new like this taking place more often.

The aim is to complete **as many laps as possible** and add these up each week to work out the total distance covered.

On average, each child who took part completed **over 2 miles!**

Competitions

100%
success rate

It was fantastic to see Hatfield Woodhouse **Y3/4 football team** enter our competition at Holy Family Primary again this year.

They represented their school with pride, demonstrating true sporting values of **teamwork and perseverance.**

Every child in school took part in our Hatfield Woodhouse **Paralympics**, an intraschool competition, that helped ensure we yet again achieved a **100% success rate** in offering all children competitive sporting opportunities.

Sensory Circuits

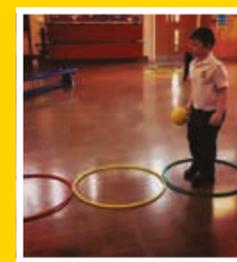

Prepare children for learning

Each week Mr Nicholls has been running a **sensory circuit** for a number of children to access at the start of the morning.

The sessions have helped to **prepare children for their learning** throughout the rest of the school day.

Fitness Improvement Data

15%
improvement

Hatfield Woodhouse truly excelled this year in the **'Fittest Primary School Challenge'**, achieving an outstanding finish of **3rd place** out of the 58 schools taking part.

In comparison to last year, the mean average score was over **30 seconds faster** than in 2015/16, representing an approximate **15% improvement.**

Sports Awards

SPOTY
Emily Wilson

The Hatfield Woodhouse Sports Awards 2016/17 were another resounding success, with the **hard work** and **wonderful achievements** of pupils proudly celebrated.

Awards were presented for: Sports Day Winners, Team of the Year, Sportsmanship, Extracurricular Sports Clubs and the Mr Nicholls PE Award.

Special mention to the Sports Personality of the Year – **Emily Wilson!**

Links with Local Sports Clubs

Extended school club link network

This year, Xcite have extended the school-club link network to include more non-traditional activities. We arranged an open session at a **local martial arts club.**

The aim is to **inspire children** to take up a new sport and continue to be active outside of school.

Sports Camp

Hatfield Woodhouse Primary School

This year saw the first ever Xcite Sports Camp hosted at **Hatfield Woodhouse Primary School.**

It was a pleasure to see children from three different schools coming together and have so much fun keeping active during the school holidays.

The children who attended had a great time, especially getting to **soak Mr Nicholls** on the final day!
